ICM *Proceedings* now available

by Elaine M. Hall, extension program specialist, Department of Agronomy

Proceedings of the 1996 Integrated Crop Management conference (Nov. 18–19 in Ames) are now for sale. This publication with more than 250 pages contains papers written by conference speakers and up-to-date research results on topics ranging from spray drift to *Bt* corn performance.

Cost for the ICM Conference *Proceedings* is \$17.50 (which includes postage), or \$15 if picked up on campus from 2104 Agronomy during normal business hours. To order a copy, please complete the form below.
