

YOUTH CROP SCOUTING COMPETITION

July 28, 2022

FIELD EXTENSION EDUCATION LABORATORY | BOONE, IA

Middle and high school students (those completing grades 7-12) from Iowa are invited to compete and showcase crop scouting abilities in corn and soybean.

The Youth Crop Scouting Competition provides students an opportunity to learn crop scouting and principles of Integrated Pest Management for corn and soybean crops. Students will obtain knowledge and skills helpful in future careers related to agricultural and environmental sciences.

At this one-day outdoor event you can expect to get out in the field, learn from ag experts, meet youth from around the state, and have fun!

Prizes will be awarded for top teams!
